15th Street El Stop: Six Billboards In A Row

First Sunday

Listen to church sermons online.

This holiday season, find your style for less.

Are we there yet?

Is it Monday yet?

How She Move

Free Calendar

Mocha came, as though wakened early
in the whirring blinking beeping room

of an otherwise empty house, with Scenes
of Pennsylvania, December Lititz station

expecting, like the dog romping the spring's
stream, to know and commit to memory

corporate geese

yet another chair story

my safe mind meld second life
rent vixen avatar who
you are taste buds rearranged
silverware on the table
rub compelled knife refuses
chaos imposed order I'll
have the brain chemistry please

Arrangements

Flowers rocks people
Strangers really loud
Competing stories
Around a dinner
Quietly eaten
Observed alluded
Marriage lived in fear
Coats accidentally
Want purposefully
Hung from backs of chairs

corporate geese

Positive Response

Crazed inflamed typing

Call of the Enlightened

wandering the warm
march dark lot ki on
high beam all amused
all is home why go
don't you know they don't
see not me pass through
breath power coming
nower nowest In
In Here breath ki stay
live need want breathe stay

corporate geese

trigger happy

extremely professional
and sparkly evangelist
strollers in the face down place
your bets please showing native
America's pastime no
offense no reservation
Eastwood instantiation

Sad

Why do you try to maintain
your sanity why do you
want when I so urgently
run to remembered out where
light unmedicated life
intoxicated all of
you drugged I don't understand.

train not in service no passengers please

pain acreage vestries
enlist nonpersons
evensong tension
sin reappraisal
secret rearrange
ceaseless inventions
topspin airplane noon
stirs vengeance priestess
in transpositions
arcane revenge sleeps

14. July, Disordered

corporate geese

the bout needed to be stood

informal formalities
of convention satisfied
all partied parties parting
reassured commercial air
travel mechanics explained
demonic possession deemed
unlikely cause for fatal

listen

In the timbre, the timber, nay the whole
dark forest of your voice, I hear the first
small footsteps of more wishings to be said.

corporate geese

Avocado

Buddhist Hindu Christian cross
line ambiguous social
individual spirit
physical poetic word
next time you will ask the right
personal historical
question stream of consciousness

Naming Rituals

Depression in August shifts
before the high winds and wide
windows no buildings so tall
to connect the sky even
on this hill is under God
slumped overwhelmed with futile
indivisibility.

corporate geese

Standard Issue Crazy

All this chat of deer and trees
Michael Phelps a deity
of all this chat of all this
of all of lossness faded
mania uncovered wakes
to stalk young Earth in seasoned
hell taste the mind of heaven

Peripheral Obsession

Delicate arm extended
forward bare defined refined
by tension of emphatic
acknowledgment blond and pale
clutching only emotion
driving an American
culture singularity

corporate geese

now not anywhere fermenting questions unposed between

Now with short cut still with tongue
not leaving the tall window
anywhere to hide against
fermenting apple cider
questions inappropriate
unposed positive space lies
between Linvilla and when.

Intermingled Flashbacks In Extended Slow Motion

Blind rock makes all the water
not forgiven can't forgive
flow down hill pure genetics
(Mexico back of the head).
Walk the stream from spring to pond:
blind rock makes all the water
not forgiven can't forgive.

corporate geese

Ambiguity

In small darkness youthly seeks
slight curved dreamtime cradled path
to arms imagination
on monsoon curried carried
"not past grandmother" awake
laid flat which nor understand
our daylight work unblinking.

redundant pose

silver spheres spread silence gait
dangled angled calculate
between projected graphed drawn
knees congruent dress advise
propose heels first force announce
plunge impose will both thumbs type
poetry contrastly grimed

corporate geese

stunned

Write white board right bent
bored techno-sabot thrown
response illicit
cloud relational
scalable lesson
will fore! today's plan
elicit eyes black
berry sweatshirt rides
back long peppermint
comment smooth and lick.

lean, and Autumn fallen

international dateline
pinstripes wrap a round earthquake
direction hemisphere shift
West senile epileptic
seismic American wood
or dinosaur byproduct
looks East entailed longing

corporate geese

something to chew on

my favorite is the treo
case like california dog
imaged rawhide bones, pencils
suggestively name-shaped but
yesterday's ring on a neck
chain apoplexed; leather, wood,
role thoughtfully relocated.

Do the needful

submit capitulated
palm out head down foot below
workability breeze sipped
Bahama destinations
Following will finish thoughts
working how let's go complete
opportune necessities
